BOUNDARIES & BURNOUT

From Chaos to Clarity

"He turns our mess into a message, our tests into testimonies"

Chelsea Flynn

"Raise your hand if you've ever been on a rescue mission where someone didn't follow protocol..."

The Truth

You cannot rescue anyone if you are drowning yourself.

My Burnout Moment

→ Mother of three (including child with autism)

→ Running a business

→ Saying yes to everything

→ 47 unread messages… and nothing but dread

Boundaries aren't selfish.

They're survival equipment.

INTERACTIVE ACTIVITY

The Oxygen Mask Check

Stand up. Be honest. Step back if true.

Step backward if this is TRUE for you:

→ I have trouble sleeping because my mind won't stop

→ I can't remember the last time I did something for fun

→ I feel guilty when I take time for myself

→ I've snapped at someone I love recently

→ I've said "I'm fine" when I wasn't

→ I'm running on fumes but keep going

→ I've neglected basic self-care because I was "too busy"

The 3 B's of Burnout

Where we hemorrhage our energy

1. BLURRED

Boundaries

Can't tell where you end and others begin

2. BURIED

Needs

Pushing your needs so far down you forget they exist

3. BROKEN

Boundaries

Setting boundaries then immediately violating them

Which B resonates most with you?

Hold that thought...

INTERACTIVE ACTIVITY

Boundary Audit

Pair up. 5 minutes each. Listen only—no fixing.

Answer with your partner:

→ What boundary do I KNOW I need to set?

→ What am I afraid will happen if I set it?

→ What is ALREADY happening because I haven't?

The R.E.S.C.U.E. Framework

Your Personal Rescue Plan

R **RECOGNIZE** the warning signs

Know YOUR red flags

E **ESTABLISH** your non-negotiables

What 2-3 things must you protect?

S **SPEAK** your boundaries out loud

A boundary in your head is just a wish

C **CREATE** accountability

Tell someone. Write it down. Make it visible.

U **UNDERSTAND** maintenance is required

Reinforce daily

E **EXPECT** pushback

People who benefited won't celebrate your new boundaries

INTERACTIVE ACTIVITY

Your Non-Negotiables

Write THREE things you commit to protect—starting TODAY

Examples:

→ "I will not answer work calls after 8pm"

→ "I will take my full lunch break"

→ "I will ask for help when overwhelmed"

Your turn: Write your 3 non-negotiables now

The Challenge

*This week, enforce **ONE** boundary.*

Just one.

When that voice says
"Who do you think you are?"

Answer:
"I am someone worth rescuing too."

"He turns our mess into a message, our tests into testimonies."

Your burnout doesn't have to be the end.
It can be the beginning.

Now go rescue yourselves.

You've earned it.
